To: All Homeowners

The Bowling Green Fire Division would like to remind all homeowners to ensure that address numbers are prominently displayed on all buildings.

City ordinance 152.12 specifies, "Every number shall be legible and fixed in a conspicuous place on the front of the building and visible from the public right-of-way. In the case of a corner lot the number shall be fixed on the side facing the public right-of-way to which the number applies. The numbers shall be at least three inches in height but shall not exceed six inches in height."

Properly displaying your address number will help responders to quickly locate your home in the event of an emergency. Should you require further information concerning this ordinance, please contact Ken Taylor of the City Planning Department at 419-354-6218.

Thank you,
